The Hon. Minister of ICT and National Guidance, acting through the Appeals and Petitions Committee, convened a meeting on 6th October, 2025 with officials from the Personal Data Protection Office (PDPO), officials from Google LLC, and their legal counsel, AF Mpanga. During the meeting, Google LLC was guided on their legal obligations under the Data Protection and Privacy Act, Cap. 97 and its Regulations, including the requirements related to registration and cross-border data transfers.

Subsequently, on 5th November, 2025 Google LLC through its lawyers communicated their decision to withdraw the appeal that had been lodged against PDPO's decision. The communication further indicated that Google LLC would take steps to address the issues raised in the decision.

The purpose of this letter is to inform you that the Appellant has since withdrawn the Appeal. The Ministry has also written to the Solicitor General to seek for an opinion on the matter going forward.
